Subject: Certificate of Deposit, Wall and Rock, Inc., Gulch Mine, S/023/0087, Juab County, Utah

Dear Mr. Wilhite:

Enclosed for your records is a copy of the letter associated with one of the certificates of deposit serving as reclamation surety for the referenced mine.

The Division of Oil, Gas and Mining still has not received an updated signed and notarized reclamation contract for this mine. A partially completed reclamation contract is enclosed. Please sign and notarize and return the original to the Division of Oil, Gas & Mining. Once the reclamation contract has been signed by our Associate Director, you will receive a copy in the mail.

Please call Penny Berry at 801-538-5291 if you have questions about the surety or the reclamation contract. Thank you for your cooperation.

Sincerely,

Paul Baker  
Minerals Program Manager
